

TAMPER EVIDENT SHRINK BANDING MACHINE

Model: ECO SHRINK LABELLER

Serial Number: 274021207

The Aesus Packaging Systems Inc. tamper evident neck banding machine provides an automatic system for automatically placing, cutting and shrinking sleeve material on conveyed containers.

Speed Range:	0-80 bpm
Layflat Range:	Up to 175mm
Layflat Tolerance:	+1mm, -0
Band Thickness Range:	20-80 microns (1.0-3.0 mil)
Cut Length:	Up to 280mm
Material Roll:	Core: 125mm-150mm Roll: 300mm OD (12")
Container Height Range:	Up to 300mm (12")
Power Requirements:	120V, 1 phase, 60 Hz, 15 AMP
Air Supply Requirements:	80 psi, Clean Dry Air
Lubricants:	Not Required
Software:	Not Required
Machine Components:	Stainless steel, anodized aluminum, high density polyethylene
